

## Letter: To add to your list...

12 January 2001

The article "Science's top media stars of 2000" (THES, December 22/29), based on national newspaper quotes, excludes me.

I have at least 18 citations, which would put me in your top ten, including *The Sunday Times* (7), *The Daily Mail* (4), *The Guardian* (3), *The Independent on Sunday*, *The Telegraph*, *The Sunday Telegraph* and *The Mirror*.
